## The Season of Lent

*Lent is a special time when you can share  
the concepts of prayer and giving with your  
children. Take family time each day to offer  
devotional prayers. Consider as a family how you  
might help others in need by giving of your time or  
resources. Even very young children can understand  
and will enjoy participating in the process. As a  
parent, carve out time in your day for your own  
special prayer time. This may involve early rising or  
time spent away from a favorite hobby or activity.*
