

### **Corpus Christi School Prayer**

Heavenly Father, we pray for our spiritual leaders and pastors. Give them wisdom and discernment as they shepherd us on our spiritual journey. May they continue to be a source of inspiration and guidance in leading us and others towards Christ.

We pray for our Board of Directors, the Superintendent's Office, our Parish Education Committee, and our administrators for their continued commitment and collaboration in serving all families to build a strong Catholic community. God, look upon our leaders and guide them to ensure high standards of education, shared responsibility, and communication to promote strong Catholic leaders.

Lord, we pray for all teachers that they may be like Jesus. Give them the strength to face the daily challenges of their vocation. May they show compassion, warmth, and patience and may they work together to help us grow as a community in faith and love. We pray that they will always be uplifted by the joys of teaching, and recognize the privilege of being called to serve others.

We pray for the parents as the first educators of their children. May they continue to influence their children's faith formation, learning and development throughout their whole lives.

God, look upon our students with love and guide them to reach their fullest potential. Help nourish our students' minds, bodies and souls and with the Holy Spirit guide them to make wise decisions. May our students follow the footsteps of Christ and be responsible citizens of the world.

We ask this through Christ our Lord, Amen.
